

# Missouri City Memorial Tree Program

Plant a growing legacy for a friend or loved-one in one of Missouri City's parks

For a donation of \$100, a 6-10 ft. tall tree will be planted in memory of your friend or loved one.

In addition to the tree planting, you receive a space on the Missouri City Forestry website Memorial Page. You may provide us with a digital picture of your loved-one and furnish a customized 50 word or less dedication. The Memorial Page on the website will include your dedication, photo and explanation of the tree planting.

Your newly planted tree will be planted, mulched, fertilized, pruned and watered for 2 years by city staff. If the tree dies within that time, it will be replaced by another tree at no additional cost. To ensure the highest survival rate, your tree will be planted between October 30 - April 30.

The City Forester will help you determine an appropriate species and location for your memorial tree.

Missouri City's Oldest Living Resident

# Missouri City Memorial Park Bench

Donate a Park Bench for a friend or loved-one in one of Missouri City's parks

For a donation of \$1,000 a 6 ft., stainless steel bench with an engraved plaque will be installed in memory of your friend or loved one.

The cost of the bench includes engraving and installation costs. Your newly installed bench will be guaranteed for two years. Parks Department staff will help you determine an appropriate location for your memorial bench.

Donors should consult with a tax professional concerning any possible charitable contribution deductions. The City does not provide tax advice.
